## SUPPORT THE MINISTRY

In order to help support the ministry of the Solid Rock Singers we provide a number of items for sale. Currently we have CDs and cassettes recorded by the group. You can also purchase t-shirts and other merchandise. The sale of these items helps us defer the costs of travel and equipment as well as a means to further spread God's message beyond the places that we sing.

then twisted together  
a crown of thorns and set it on him.

And they began to call out to him,  
"Hail, King of the Jews"

## CHRIST IS KING

A king is someone with rank, power or influence over a particular area or group of people. As humans, we have a hard time giving up the thought of having our own control or power over our lives. When we allow Jesus to truly be the King of our lives, we are saying to Him, "Lord, you have the power and influence over me and I will look to you for guidance, protection, and strength." It is then, when we surrender our lives to the Lord, that our hearts can truly sing praises to the King who has ultimate authority over our time here on Earth.

Different than most earthly kings, Christ has given us the choice to accept His power or not. We are called, as Christians, to choose each day to give all of our gifts, talents, resources, words, and time (not just our songs of praise) to serving the Kingdom.

We are servants of Christ and must listen to the tasks our King is handing down for us each day, no matter how big or small. It becomes our joy then, to honor our King when He, in turn, takes care of us, guides us, and protects us until the day we are called to join Him in His Kingdom of Heaven.
